Inhalte:	<p>Trad climbing (or traditional climbing) is one of the most comprehensive and distilled disciplines of climbing. It is done by placing your own protection against a fall as you advance. In National Park Harz (Niedersachsen) a genuine climbing culture has been developed over the years, that celebrates the compact granite crags scattered over the landscape.</p> <p>Trad climbing requires training and experience to be done safely. At this training you will add to your outdoor climbing skills, the essential know-how for using trad climbing gear on granite. By the end you will be able to equip a climbing route with your own protection placements.</p> <p>We start in East Harz (one night) and end in West Harz. Climbing short multi-pitches is a remarkable experience in this area, and adequate instruction will be offered at the course. Some approaches run through uneven and steep terrain.</p> <p>Language: English/German</p> <p>Will be covered:</p> <ul style="list-style-type: none"> - Reading trad routes - Trad equipment - Placing nuts, cams and slings - Extension of placements - Belaying trad routes - Building an anchor/toprope - Environmental conviviality
